

Making the Old—Like New!

Our Most Popular Rebuild Kit

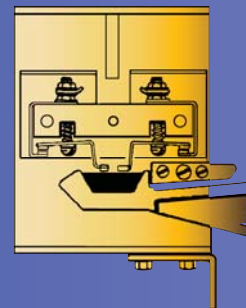

This full service rebuild kit for the Otis 6940 interlock fits the need for units manufactured approximately after 1962 through 1991 and again from 1997 to the present. For the minimum rebuild kit for this same period of manufacture see the B6940C500 part number kit.

To order this kit use **P/N B6940C503**

Pre 1962 Switch Contact Assembly

Old Vintage
4-Piece Contact
Block Assembly
Now Obsolete

Oldest Vintage Rebuild Kit

This full service rebuild meets the needs for those Otis 6940 interlocks designed and manufactured before 1962. A comprehensive rebuild kit, it includes all the most needed parts.

To order this kit use **P/N B6940C502**

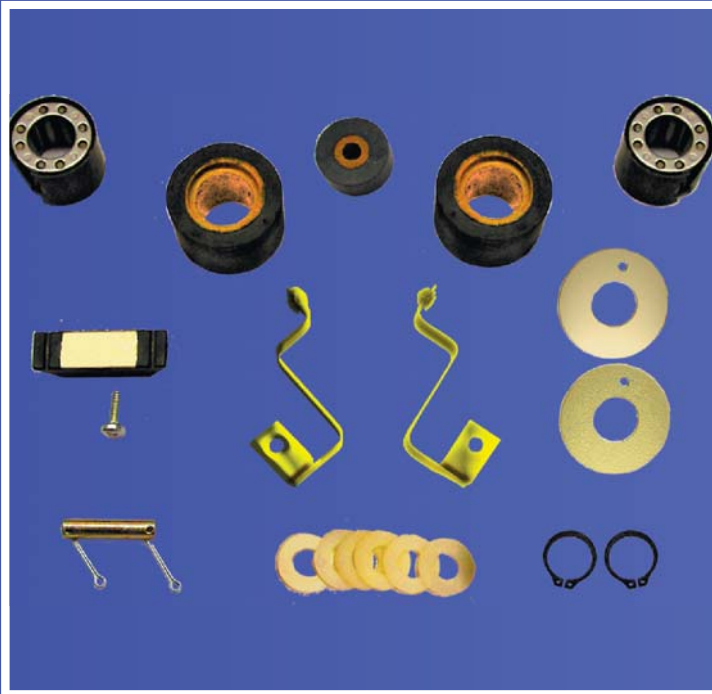

6940 Interlock Rebuild Kits

Whichever the Equipment Vintage, Choose the Rebuild Kit That Meets Your Need

The Basic Rebuild Kit

This minimum rebuild kit shown is available for use on the same vintage locks shown on the flyer for B6940C503. To refresh this version lock with maximum number of replacement parts, see the B6940C503 kit. Otherwise, for the most basic and economical refresh, use

P/N: B6940C500

The 'Red' Contact Block Rebuild Kit

This kit offers maximum rebuild capability for Otis 6940 interlocks manufactured post 1992 through 1996 only and includes the unique 'red' contact block assembly of that vintage.

To order this kit use **P/N: B6940C504**
